| 16 -----Spring | 17 Vacation | 18 Week ----- | 19 ----- No | 20 School----- |
| 23 Animals | 24 OF The | 25 Coast | 26 Whales.... | 27 Seals... Sharks.... |
| 30 It's | 5/1 All About | 5/2 "Reading | 5/3 And | 5/4 Eating" |

Dear Parents,

April showers bring May flowers. I hope we have some sunshine too!!! The sign up for parent-teacher conferences is on the bulletin board. We appreciate you taking the time to come in and discuss the important developmental step your child is making. If you have not yet signed up for a conference - there is still time ☺

Skills we are working on this month

- Social/Emotional: small group interactions with children living in the same town, problem solving, and confidence about trying new tasks.
- Fine Motor: tracing and lacing animal shapes, writing and drawing, preparing food
- Large Motor: jumping, hopping, balancing, ball bouncing & throwing, galloping
- Math: counting, sorting, patterning, matching, number recognition
- Science: ocean water, dry west climate, baleen, shark teeth
- Social Studies: where whales, sharks, & seals live, Colorado, Wyoming, Texas
- Language: Letter Xx, Yy, Zz, words related to:

We are hoping for lots of outside time and ask that you continue to dress your child for playground time (at 9:30 am). You may want to send in a sweatshirt/fleece as well as a coat then we can take off or add depending upon the weather. The wind does make such a difference.
