Dear Parents,

March brings us lots of good fun! Spring progress reports will be in your Child's cubby by April 3rd and conferences will begin April 6-17th. Look for the sign up sheet soon. We have a cubby of books and The Letter Factory DVD's for you to check out and read with your child. Also --lots of rhyming books and Bill Peet books - just sign out - read - and sign them back in!!!

**We will be working on our readiness skills this month by:**

Fine Motor: printing our names, lacing, tracing, model magic animals, drawing

Large Motor: riding stick horses, jumping, swinging, climbing, hopping, and balancing

Math: counting horses, geometric designs, patterning

Science: climate in the west, snake skins, color mixing

Social Studies: learning about the Wild West locations, artists in Europe

Language: rhyming words, sign language to music, Letter recognition T, U, V, W, & X Let's hope March brings some warm weather --- but in case it isn't... remember we go out every day possible and your child may still need warm playground clothes.
