Dear Parents,

Happy December!! Wow, the time is just flying by! I can't believe Thanksgiving is over and we are already in December getting ready for Christmas. We are having so much fun playing and learning with our friends, the time just goes by so quickly!

We will be working on your child's readiness skills in the following areas:

Fine Motor: stringing, lacing and legos.. sorting holiday objects with tweezers & writing our names

Large Motor: hopscotch, dance/yoga movement

Math Skills: counting candy canes, patterning objects

Science Skills: Using our 5 senses

Language skills: Recalling story facts, music & finger plays, practicing letter sounds and recognizing letters Ll, Mm, and Nn.

Social Studies: Where is the North Pole?

Progress reports will be in your child's cubby by Dec. 19th.. Formal conferences will be in April, but if there is anything you would like to discuss, please see Mrs. Gaeta. Although this season is very hectic, it is also very magical for children. Not everything needs to be costly. Take some time to start easy, fun, family traditions -making cookies, candles, making cards, driving around looking at the lights, have a special evening with hot chocolate by a fire, etc. – have a family tradition???? Share it with us!

There will be a sign up sheet starting on Wednesday , December 3rd for donations for our candy houses and volunteers.

Dates to remember: No school Monday, December 22-Friday January 2nd

School reopens on Monday, January 5th

Enjoy the season with your children!
