16	17 Thanksgiving	18 Story	19 Continued...	20
23 All school Feast	24 All School Feast	25 Thanksgiving	26 Break	27

Dear Parents,

As you can see, this month is another exciting one for us. We will be working on your child's readiness skills in the following areas:

Fine Motor: Stringing beads, tracing, and using tweezers
Large Motor: movement songs and obstacle course, jumping, crawling…
Math Skills: counting, sorting shapes & colors, corn & beans
Science Skills: measuring, weighing, float/sink, color mixing
Language Skills: recalling the Thanksgiving Story, practicing letter sounds, recognizing Hh, Ii & Jj(No letter Thanksgiving week)
Social Studies: exposure to the continent of Europe and the story of Thanksgiving

Dates to remember: No School November 11th (Veterans Day)
No School November 25th-27th (Thanksgiving Break)

The weather is beginning to get colder in the morning and we do go out first thing. Please make sure your child has a jacket to ensure they are warm enough. Mittens and hats are helpful, too. Please make sure they are labeled. We will also be putting out a sign up sheet for food items we will need for our feast. Look for it by the attendance sign in after Veterans Day.

Happy Thanksgiving Everyone!
