Dear Parents,

We have fun themes coming up this month. Progress reports will be in cubbies by Friday, April 17th and conferences will begin the week of April 27th and continue into the 1st week of May. There is a sign up sheet by the door. If you do not find a time that works for you, please talk to Mrs. Gaeta. I look forward to meeting with you!

Skills we are working on this month:

Social/emotional: small group interactions, problem solving, turn taking

Fine Motor: tracing, cutting, pinching, stringing

Large Motor: jumping, hopping, balancing, swinging, climbing!!!

Math: counting, sorting, patterning, matching

Science: Recycling, composting, incubating eggs, lifecycle of a frog, pond life, the human body

Social Studies: Where can you find horse ranches, Oceans around the world

Language: Letters X, Y, and Z

Spring Break: April 20th-24th

We are hoping for lots of outside time and ask that you continue to dress your child for playground time. You may want to have a sweatshirt/fleece as well as a coat. Then we can take off coats or add depending upon the weather. The wind does make such a difference.
